FarmHouse Foundation.*

## HOW DOES IT WORK?

By signing up for the Electronic Transfer Gift Program, the Foundation can collect donations quickly and efficiently through the Automated Clearing House (ACH) network, the highly-trusted system in use for over 25 years, which is also used for Direct Deposit of payroll. You may already have signed up for Direct Payment to have your mortgage, loan or utility payments deducted from your account on a monthly basis.

The Electronic Transfer Gift Program is a reliable, accurate, on-time and confidential way for you to make your donation. Each donation is deducted from your bank account or credit card on the date you specified, so it is easy to track. You will always have a record of your donations because each Electronic Transfer transaction from your account will be listed on your monthly bank or credit card statement. Few people see your direct payments because they are confidential transactions passing through the ACH network, just like Direct Deposit transactions from your payroll, whereas a check passes through many hands as it's processed.

Your gift will go directly to The FarmHouse Foundation to support the Fraternity's leadership and educational programs. It's truly a win-win situation.

Thank you for supporting the FH Foundation and *Building the Leaders of Tomorrow!*
