

FarmHouse Fraternity Policy on Alcohol-Free Housing at Conferences

Due to increasing risk management and public relations concerns, FarmHouse Fraternity hereby establishes the following policy regarding all regional and international conferences and Conclaves of the Fraternity.

1. No alcohol will be allowed in hotel rooms and college dormitory rooms in conjunction with any stays for FarmHouse sponsored leadership conferences or conventions.
2. If they so choose, of-age chapter members will not be prohibited from going to a tavern/bar near the hotel or consuming alcohol at a tavern/bar inside the hotel - with the explicit understanding that they will conduct themselves in a responsible manner - and not bring alcohol outside of that licensed liquor establishment. No alcohol will be allowed in meeting rooms, hallways or just outside the property.
3. This policy does not preclude members and/or other executive officers from voting on allowing alcohol at specially designated off-property events at RLCs or FarmHouse Leadership Academy events (such as bowling/pizza nights at a licensed liquor establishment). However, a 3/4 vote of all men present would be required for of-age participants to consume alcohol - as per FarmHouse Alcohol Policy requirements.
4. All participants will be expected to stay in the host hotel/residence hall - unless they're staying at their chapter houses or make prior arrangements with FarmHouse International. The same policy will apply to all members in attendance - regardless of where they're lodged.
5. Hotel managers and/or RAs will be given full authority to remove any person (or room full of persons) from the hotel/facility should this policy be violated. No refunds will be given to participants sent home. Additional penalties/disciplinary action may be taken against individual(s) and/or chapters who violate this policy.
