## The Central Objective

### *Building the Whole Man:*

- *Intellectually*
- *Spiritually*
- *Socially/Morally*
- *Physically*

### How do I Join and What's Involved?

Joining TN FarmHouse is easy. Each new member goes through a 6-week pledging period that starts the building process. During your pledgship, you can enjoy a fun, relaxed, and hazing free environment, while getting to know your future brothers. This is just the beginning of a life-changing experience that will open new doors to endless opportunities.

## What Are We Not?

What are our greek letters? Our letters are, simply, FH. We take pride in this because it sets us apart from the many other fraternities on UT's campus. We offer membership to men from ALL majors—not just Agriculture! We are not a group of roughnecks. We are gentlemen that have high scholarship, good moral character, and the capacity for meeting and making friends.

## SCHOLARSHIP

*Intellectually*– TN FarmHouse takes pride in a good GPA. We offer incentives for brothers who excel in school, as well as tools to help the whole chapter do the best they can:

- In-house Computer
- High-Speed Internet
- Test Files
- Study Room
- Required 2.25 GPA
- “Steak and Beans” Night
