

FarmHouse Member Education Program Form

1. The programs are limited to one hour so that a chapter member does not have to be afraid that he is committed to a whole evening if he attends. This allows time for studies, other meetings, etc.
2. All chapter members, alumni and their guests are involved. This encourages alumni involvement, friends, wives, prospective members, etc. to attend.
3. Topics are confined only to the needs, interests, and resources of the chapter and community.
