

We're celebrating Brotherhood at Conclave 2010!

As FarmHouse brothers gather next week in Columbus, Ohio, we celebrate the successes of the last biennium while challenging ourselves individually and collectively so that "progress shall mark our every step." At the same time we pay respect and homage to our history and the men who made the Fraternity what it is today.

These men are the **Stars of FarmHouse**. Over 25,000 men are **Stars of FarmHouse** - those brothers initiated into the Fraternity. Each member's involvement has inspired others, built men and have made a difference in our world. And like stars in the sky, these 25,000 stars are lighting the way for the next generation. They are advisors, association leaders, chapter officers, board members, donors, mentors and volunteers - who spend their time, resources and efforts to advance FarmHouse.

As the three Stars on the Crest symbolize the three great attributes of the Fraternity: loyalty, generosity and pride, we encourage you to take pause and honor FarmHouse men who have been **Stars** in your life.

Join our *Stars of FarmHouse* by donating \$10 to support the FarmHouse Foundation and in **honor** of a special FarmHouse brother. Your **\$10 gift buys a star** to shine on our *Stars of FarmHouse Wall* during Conclave.

Donate a Star now by making a gift [online](#) (via PayPal, please add in the comments section the man or men you are honoring), by mail to the FarmHouse Foundation or in-person at Conclave. Each \$10 gift will honor a FarmHouse brother. His name will be placed on our Stars of FarmHouse Wall and we will promptly inform him of your thoughtful gift in his honor.

Honor the **Stars of FarmHouse** who have made a difference in your life!
